

## **Lemon & Lavender Air Freshener: The answer to clean and relaxing air.**

### Medium scented air freshener

Lavender is one of the most popular scents in the world. Combined with lemon it gives off a clean, calming aroma that relaxes you and the air around you.

When you use Lemmy's Lemon & Lavender Air Freshener you naturally purify the air and get rid of bad odors quickly in your car, room, and home without masking or leaving a chemical or synthetic after smell.

### Why Use Our All-Natural Air Fresheners?

Our air fresheners are made with all-natural ingredients and pure essential oils so they are free of harsh chemicals and anything artificial.

- This product is alcohol, dye, toxin and aerosol free as well as environmentally and family friendly. We love our animals so our products are cruelty-free with no animal by-products.
- Each ingredient is listed so you know exactly what's in our products.
- Each all-natural air freshener blend is handcrafted by our family in Michigan, U.S.A. with love and special attention given to it.

Lemmy's Lemon & Lavender Air Freshener contains the following essential oils:

- Pure Lemon Essential oil: cleanses the air as well as leaves a clean fresh aroma.
- Pure Lavender Essential oil: makes the air septic and bacteria free in addition to producing a calming effect.

A conveniently sized four-ounce bottle of Lemmy's Lemon & Lavender Air Freshener is great to use after Spring cleaning, on your sheets before you go to bed or to freshen the air during your commute.
